THIS PAGE RESERVED FOR HENRY!

Dearest Barbara,

Well, here goes some of the most ^{sp} unusual things this world has ever known to happen between two "young" people.

I hardly know where to start, talking about the good times & the "bad" times we have had together, but I guess it all started back in '64, about Feb. "I think it was." I'm sure I remember the ^{1st} I met you at the hospital?

I guess you just had, "that something special I had been looking for" Isn't you think so? sure I guess it would be better if I didn't go into detail about all of the things that have happened good & bad. It would probably take more pages than I could ever write, so I will save the lines talking about the future. Ok.

First of ~~all~~ all, stay just as sweet and loving as you are now, and you will always be mine. Love a Doll.

Barbie, I guess that is about all I can say, ^{on this page, that is.} because I'm sure you know the ~~best~~ final score ~~to~~ about our feelings toward each other. Remember I love you, & cherish you always.

Love Henry

With sincere
best wishes!

INVICTUS

Out of the night that covers me,
Black as the Pit from pole to pole,
I thank whatever gods may be
For my unconquerable soul.

In the fell clutch of circumstance
I have not winced nor cried aloud.
Under the bludgeonings of chance
My head is bloody, but unbowed.

Beyond this place of wrath and tears
Looms but the horror of the shade,
And yet the menace of the years
Finds, and shall find, me unafraid.

It matters not how strait the gate,
How charged with punishments the scroll,
I am the master of my fate;
I am the captain of my soul.

- William Ernest Henley
